WORKPLACE GIVING CAMPAIGN

Join us October 19 – October 31 to support Give Together, Grow Together

EvergreenHealth's annual workplace giving campaign. Our collective giving provides a greater opportunity to invest in excellence through funds and initiatives that promote the health and well-being of those we serve. **When we give together, we grow together.**

For those who've given in previous years – thank you!

Gifts donated via payroll deduction will automatically renew in 2027. Payroll deduction gifts will be maintained – no action is required. We encourage you to consider increasing your donation per pay period – even a small increase gives us the opportunity to fund a greater number of proposals.

For new donors – welcome!

We invite you to consider making a gift in one of the following ways:

- **Payroll Deduction** – Choose any gift amount \$5 and above to be automatically deducted from your paycheck each pay period starting in January 2027.
- **PTO Hours** – Employees who've worked at least 6 months at EvergreenHealth are eligible to donate PTO hours. PTO hour donations cannot be completed online – donation form required.
- **One-time Donation** – All employees and volunteers can donate a meaningful personal gift to contribute toward the campaign.
