

Meaningful Medicine

LUNCHEON

Because each moment matters

Thursday, October 26, 2023 | Lynnwood Event Center

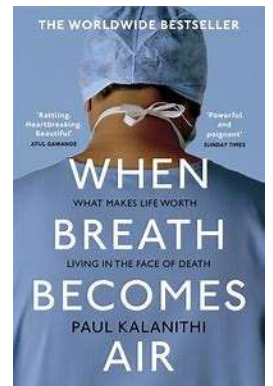

An EvergreenHealth Foundation Invitation

Join us for an inspirational fundraising luncheon featuring Dr. Lucy Kalanithi, a Clinical Associate Professor at Stanford University School of Medicine and a nationally recognized speaker, reflecting on what makes life worth living in the face of death.

Dr. Lucy Kalanithi is the widow of the late Dr. Paul Kalanithi, author of the #1 New York Time bestselling memoir, *When Breath Becomes Air*, for which she wrote the epilogue.

The Meaningful Medicine Luncheon benefits **EvergreenHealth Hospice Care** which helps bring dignity, compassion and comprehensive care to our community members facing end-of-life. Join physicians, healthcare leaders, professional caregivers, and our community as we unite to support hospice and palliative care.
